Fransiscus Rodyanto
E fransiscusrodyanto@ssek.com

Fransiscus Rodyanto received his Bachelor of Laws and Bachelor of Economics from the University of Indonesia. He also earned an English diploma from the Faculty of Humanities at the same university.

In 2011, he earned his Master of Laws in European and international business law from Leiden University in the Netherlands, as part of the Leiden University Excellence Scholarship program.

Prior to joining SSEK, Frans worked at another law firm in Jakarta where he was exposed to many upstream oil and gas transactions. At SSEK, he has been heavily involved in numerous projects related to oil and gas, mining, the geothermal industry, clean-water supply, ports and general corporate matters, as well as various commercial transactions.

He is a member of the Indonesian Advocates Association (Peradi).

Experience

M&A & Corp. Reorganization

- Advised **ExxonMobil** on regulatory issues pertaining to multibillion USD oil and gas development in the Natuna block and Cepu gas sales arrangement;
- Advised and assisted **Energy Development Corporation**, the largest producer of geothermal energy in the Philippines and the second largest in the world, on its ongoing geothermal businesses in Indonesia, including setting up its two Indonesian foreign investment companies to engage in the geothermal businesses in Indonesia;
- Advised **Maersk Drilling** on regulatory issues related to the procurement of goods and services in the Indonesian upstream oil and gas business;
- Advised **Petrochina** on developing its oil and gas storage business in Indonesia;

Energy & Natural Resources

- Advised **PT Pertamina (Persero)** on a merger of two Indonesian gas companies;
- Represented and assisted **APM Terminals**, the world's largest port and terminal operating company, in acquiring shares and land from an Indonesian company that operates a dry port located in the biggest manufacturing zone in West Java;
- Advised **China National Petroleum Corporation International**, a Chinese state-owned oil and gas corporation and the largest integrated energy company in China, in acquiring shares in an Indonesian company engaged in the upstream oil and gas business;

Infrastructure & Project Finance

- Advised **APM Terminals** in the bidding process to operate a high-

profile port terminal;

- Advised **Petrochina** on its loan restructuring;
- Represented **KTP Holdings Ltd.**, a company listed on the Hong Kong Stock Exchange, in a loan structuring with an Indonesian company that holds coal mining business licenses in West Papua;
