Harry Kuswara
E harrykuswara@ssek.com

Harry Kuswara graduated from the University of Indonesia Faculty of Law in 2006 with a major in international law.

Since joining SSEK, Harry has focused on legal matters in the areas of e-commerce, data protection, payment systems, financial technology and M&A, with broad exposure to general corporate law, technology, media and telecommunications, and real estate.

Prior to joining SSEK in 2010, Harry worked for USAID and Save the Children on international development projects across Indonesia. Through this work, Harry gained a comprehensive perspective on Indonesian culture and diversity and uses this in his approach to legal work.

Harry is a member of the Indonesian Advocates Association (Peradi) and is a licensed advocate in Indonesia.

Experience

M&A & Corp. Reorganization

- Advised **Toyota** on the establishment of a joint venture company in Indonesia with PT Astra Otoparts, and on the purchase of an existing compressor production business from PT Denso Indonesia that has a 75% share of the compressor market in Southeast Asia and India. SSEK conducted all the due diligence, drafted the JV agreement and established the JV company;
