This Circular Letter provides evaluation protocols for foreign nationals who are or are suspected of being COVID-19 positive or who are hospitalized in Indonesia with an illness other than COVID-19. It also contains protocols for repatriating the bodies of foreign nationals who die in Indonesia from COVID-19. This Circular Letter came into force on the date of its enactment.</p>
<p>HEALTH</p>	<p>Head of the National Agency of Food and Drug Control (“BPOM”) Regulation No. 1 of 2020 dated January 27, 2020, regarding the Revocation of BPOM Decision No. HK.00.05.4.1745 of 2003 regarding Cosmetics. With the issuance of this Regulation, BPOM revokes and declares null and void BPOM Decision No. HK.00.05.4.1745 of 2003 regarding Cosmetics. This revocation was made based on the consideration that the provisions in the earlier Decision were regulated in several other laws and regulations in accordance with legal requirements as well as developments in science and technology. This Regulation came into force on the date of its enactment.</p> <p>BPOM Regulation No. 2 of 2020 dated February 5, 2020, regarding Supervision of Cosmetics Production and Distribution. This Regulation contains provisions on the supervision of the production and distribution of cosmetics. It also stipulates that overseas cosmetics production facilities can be supervised by Indonesian authorities if such facilities receive production contracts from Indonesia and/or produce products that will be distributed in Indonesia. Administrative sanctions for violations of the provisions of this Regulation include written warnings, temporary prohibition on the distribution of cosmetics, withdrawal of cosmetics from circulation, destruction of cosmetics, suspension of the production and/or importation of cosmetics for a maximum period of one year and revocation</p>

	<p>of notification number. This Regulation came into force on the date of its enactment and revokes BPOM Regulation No. HK.03.1.23.12.11.10052 of 2011.</p> <p>Minister of Health (“MOH”) Regulation No. 9 of 2020 dated April 3, 2020, regarding Guidelines for Large-Scale Social Distancing in the Context of Accelerating the Handling of Corona Virus Disease 2019 (COVID-19). This Regulation provides that large-scale social distancing in response to COVID-19 can only be introduced in a province/regency/city if the number of cases and/or deaths due to the disease significantly and rapidly increases and spreads to several regions, and there is an epidemiological connection with similar events in other regions or countries. This Regulation came into force on the date of its enactment.</p> <p>MOH Decision No. HK.01.07/MENKES/239/2020 of 2020 dated April 7, 2020, regarding the Stipulation of Large-Scale Social Distancing in DKI Jakarta Province in the Context of Accelerating the Handling of Coronavirus Disease 2019 (COVID-19). This Decision stipulates the obligation for large-scale social distancing in Jakarta. The regional government of DKI Jakarta province is obligated to conduct large-scale social distancing in accordance with the provisions of laws and regulations, and to encourage and promote a clean and healthy lifestyle among the community. This Decision came into force on the date of its enactment.</p> <p>BPOM Regulation No. 4 of 2020 dated February 28, 2020, regarding Working Unit for Goods/Services Procurement in BPOM. This Regulation concerns the establishment of a Working Unit for the Procurement of Goods/Services in BPOM (<i>Unit Kerja Pengadaan Barang/Jasa</i>), which is authorized to organize and manage procedures for the procurement of goods/services in BPOM. This Regulation came into force on the date of its enactment and revokes BPOM Regulation No. 2 of 2018.</p> <p>BPOM Regulation No. 5 of 2020 dated March 6, 2020, regarding the Integration of Electronic Business Licensing Services for the Drug and Food Sector. This Regulation moves licensing authority for the food and drug sector to the Online Single Submission (“OSS”) system. The business permits to be issued through the OSS system are drug and food distribution permit, good manufacturing practice certificate, good distribution of medicine practice certificate, export certificate, import of drug and food certificate, and analysis of the results of narcotics, psychotropic and pharmaceutical precursors. This Regulation came into force on the date of its enactment.</p>
<p>INDUSTRY</p>	<p>Minister of Industry (“MOI”) Circular Letter No. 4 of 2020 dated April 7, 2020, regarding Implementation of Manufacturing Operations during the Corona Virus Disease 2019 Public Health Emergency. This Circular Letter addresses factory operations during the implementation of social</p>

	<p>distancing measures in response to COVID-19. This Circular Letter came into effect on the date of its issuance.</p> <p>MOI Letter No. B/312/M-IND/IND/IV/2020 of 2020 dated April 2, 2020, regarding Implementation of Industrial Activities during the Emergency Situation of the COVID-19 Pandemic. This Letter is addressed to regional governments. The MOI expects regional governments to (i) support the implementation of industrial activities in their respective regions during the emergency situation; (ii) to not limit industrial activities including but not limited to the movement of employees or the distribution of goods prior to the stipulation of large-scale social distancing by the Ministry of Health; (iii) in the event the Ministry of Health approves large-scale social distancing in a particular region, the closure of industrial activities must be done selectively, and in particular, leeway shall be given to companies that produce products for handling COVID-19 and companies involved in producing basic needs of society; and (iv) encourage agencies responsible for overseeing the industrial sector to empower companies to implement COVID-19 prevention protocols in the workplace. This Letter came into force on the date of its issuance.</p> <p>MOI Circular Letter No. 7 of 2020 dated April 9, 2020, regarding Guidelines on Licensing Applications for Implementing Industrial Activities during the Corona Virus Disease Public Health Emergency 2019. This Circular Letter was issued to ensure the continuance of industrial activities considered vital to the economy and society during the COVID-19 response. It also provides guidance for industrial companies and/or industrial areas in operating during the COVID-19 situation. Industrial companies and/or companies in industrial areas may continue to operate by obtaining an operational license via siinas.kemenperin.go.id. This Circular Letter came into force on the date of its issuance.</p>
<p>INVESTMENT</p>	<p>Chairman of the Investment Coordinating Board Decision No. 86 Year 2020 dated April 1, 2020, regarding Ease of Business Licensing for Certain Business Sectors related to the Management of the COVID-19 Outbreak. This Decision is aimed at easing and accelerating the business licensing process in the health equipment and pharmaceutical business sectors. This Decision came into force on the date of its enactment.</p> <p>Chairman of the Investment Coordinating Board Regulation No. 1 Year 2020 dated April 1, 2020, regarding Guidelines for the Implementation of Electronic Integrated Business Licensing Services. This Regulation provides detailed and comprehensive guidelines, procedures and requirements for business licensing activities in various economic sectors. Business licenses, investment registrations and commercial and operational licenses issued prior to the issuance of this Regulation shall remain valid insofar as they do not conflict with the provisions of this Regulation. This Regulation came into force on the date of its promulgation.</p>

	<p>Chairman of the Investment Coordinating Board Decision No. 98 Year 2020 dated April 16, 2020, regarding License Issuance Standards. This Decision stipulates standards for the issuance of business licenses in every business sector as set out in the attachment to this Decision. Completion of business permits and operational/commercial permits in the framework of the implementation of investment is integrated with the Online Single Submission system or done through ministerial or agency officials placed in the Investment Coordinating Board. This Decision came into force on the date of its issuance.</p>
<p>LAW AND HUMAN RIGHTS</p>	<p>Minister of Law and Human Rights (“MOLHR”) Regulation No. 7 of 2020 dated February 28, 2020, regarding Granting Visas and Stay Permits in Order to Prevent the Entry of Corona Virus. This Regulation aims to strengthen measures to prevent the spread of COVID-19 in Indonesia by limiting the granting of visas and stay permits for people from China. This Regulation came into force on the date of its promulgation.</p> <p>MOLHR Regulation No. 8 of 2020 dated March 19, 2020, regarding Temporary Termination of Visitor Visas and Visitor Visas on Arrival and the Granting of Emergency Stay Permits. This Regulation temporarily halts the granting of visitor visas and visitor visas on arrival. It also addresses the granting of emergency stay permits to foreign nationals impacted by lockdown policies in other countries. This Regulation came into force one day after its issuance.</p> <p>Directorate General of Immigration Circular Letter No. IMI-1873.GR.01.01 of 2020 dated March 6, 2020, regarding the Implementation of Granting Visas and Stay Permits in Order to Prevent the Entry of Corona Virus. This Circular Letter follows up on MOLHR Regulation No. 7 of 2020 regarding Granting Visas and Stay Permits in Order to Prevent the Entry of Corona Virus and provides guidance on the implementation of that Regulation. This Circular Letter came into force on the date of its stipulation.</p> <p>MOLHR Regulation No. 11 of 2020 dated March 31, 2020, regarding Temporary Restriction on Foreigners Entering the Republic of Indonesia. This Regulation provides restrictions on the entry/transit of foreigners in Indonesian territory. 	<p>MTCE Circular Letter No. 2 of 2020 dated March 31, 2020, regarding Follow-Up on Recommendations to Prevent the Spread of Corona Virus Disease 2019 (COVID-19). This Circular Letter follows up on the presidential instruction on handling COVID-19. It orders tourism and creative economy agencies to, among other things, (i) report developments related to the spread of COVID-19 in their respective regions to the COVID-19 Response Acceleration Task Force; (ii) monitor and report on the impact of COVID-19 on tourism and the creative economy; (iii) communicate the Ministry of Health’s standard operating procedures for handling COVID-19 through social media, print media, radio and other messaging apps; (iv) coordinate with manpower agencies in putting in place measures to prevent companies from terminating employees; (v) ensure employees are paid their salaries in accordance with Minister of Manpower Circular Letter No. M/3/HK.04/III/2020; (vi) provide support in the form of staple foods to informal workers at tourism destinations closed by COVID-19; and (vii) implement measures to protect remuneration for employees in the tourism and creative economy sector. This Circular Letter came into force on the date of its issuance.</p>
<p>TRADE</p>	<p>Minister of Trade (“MOTr”) Regulation No. 8 of 2020 dated February 10, 2020, regarding Online Single Submission in the Trade Sector. This Regulation amends provisions of MOTr Regulation No. 77 of 2018 regarding the same matter. It sets out the framework for the application for and issuance of Business Permits in the trade sector. It provides that there are two types of Business Permit that may be applicable for a company engaging in the trade sector, which are (i) Business License (<i>Izin Usaha</i>) and (ii) Commercial/Operational License (<i>Izin Komersial/Operasional</i>). A Business License is required for every business actor conducting business and/or activities in the trade sector. A Commercial/Operational Permit is required to carry out commercial or operational activities, if required. Annex I of the Regulation further prescribes the applicable Business Permit, based on the Indonesian Standard Business Field Classification (KBLI). This Regulation came into force on the date of its enactment and revokes MOTr Regulation No. 77 of 2018.</p> <p>MOTr Regulation No. 15 of 2020 dated February 27, 2020, regarding Provisions on the Export of Forestry Products. This Regulation provides several requirements to be met by exporters of forestry products, which includes (i) licensing, (ii) technical criteria for forestry products to be exported, (iii) verification or technical tracking of the forestry products to be exported and (iv) an export realization report. This Regulation came into force on May 27, 2020, and revokes MOTr Regulation No. 84/M-DAG/PER/12/2016, as amended several times, lastly by MOTr Regulation No. 38/M-DAG/PER/6/2017.</p> <p>MOTr Regulation No. 27 of 2020 dated March 18, 2020, regarding the Amendment of MOTr Regulation No. 44 of 2019 regarding Provisions on the Import of Horticulture Products. Under this Regulation, horticulture</p>

products in the form of onions with tariff line/HS 0703.10.19 and garlic with tariff line/HS 0703.20.90 shipped from the loading port by no later than May 31, 2020, are exempt from import approvals and surveyor reports as stipulated in MOTr Regulation No. 44 of 2019. The shipment of horticulture products shall be evidenced by a bill of lading. The provisions of the Annex to this Regulation are valid until May 31, 2020. This Regulation came into force on the date of its enactment.

MOTr Regulation No. 28 of 2020 dated March 23, 2020, regarding the Eighth Amendment of MOTr No. 87/M-Dag/PER/10/2015 regarding Provisions on the Import of Certain Products. In response to the COVID-19 pandemic, the government issued this Regulation to exclude several tariff lines/HS numbers related to, among other goods, antiseptic, raw materials for face masks, personal protective equipment and masks from the requirement to have a surveyor report in the country of origin or the port of loading and restrictions on the port of entry. Therefore, the import of products as stipulated in this Regulation does not require any licensing and the shipment of certain products will only need to be proven by a bill of lading. This exclusion is effective until June 30, 2020. This Regulation came into force on the date of its enactment.

MOTr Regulation No. 33 of 2020 dated March 26, 2020, regarding Goods that May Be Stored in a Warehouse Receipt System. This Regulation sets forth the requirements for goods that may be stored in a Warehouse Receipt System, including that they are able to be stored for at least three months, meet a certain standard quality and fulfill the technical requirements set forth by the Head of the Trading Regulatory Agency for Perpetual Commodities. Article 4 of this Regulation further sets forth the types of goods that may be stored in a Warehouse Receipt System. This Regulation came into force on the date of its enactment and revokes MOTr Regulation No. 37/M-DAG/PER/11/2011.

MOTr Regulation No. 37 of 2020 dated March 31, 2020, regarding the Second Amendment of MOTr No. 118 of 2018 regarding Provisions on the Import of Second-Hand Capital Goods. In response to the COVID-19 pandemic, the government issued this Regulation to ease the process of importing certain second-hand capital goods. The products included in the Annex to this Regulation are exempted from the requirements applicable for the import of second-hand capital goods as stipulated in MOTr Regulation No. 118 of 2018. Annex VI of this Regulation lists several second-hand capital goods relevant to industries producing items for COVID-19 countermeasures. As opposed to the requirements applicable under MOTr No. 118 of 2018, such imported goods must simply obtain a recommendation from the Task Force for the Acceleration of the Handling of COVID-19 or an appointed official. Further, this Regulation provides that these second-hand goods which are shipped from the port of loading no later than June 30, 2020, will be exempted from the requirement to provide an Import Approval and Surveyor Report. The above provisions are

	<p>effective until June 30, 2020. This Regulation came into force on April 2, 2020.</p> <p>MOTr Regulation No. 40 of 2020 dated April 8, 2020, regarding Provisions on the Use of National Sea Transportation and National Insurance for the Export and Import of Certain Goods. This Regulation provides that exporters of coal and crude palm oil, and importers of rice and goods for the procurement of government goods, are required to use national sea transportation and national insurance. However, specifically for the use of national sea transportation, the obligation only applies to the use of sea transportation with the capacity of up to 15,000 deadweight tonnage. This Regulation came into force on May 1, 2020, and revokes MOTr Regulation No. 82 of 2017, as amended by MOTr Regulation No. 80 of 2018.</p>
<p>TRANSPORTATION</p>	<p>Minister of Transportation (“MOT”) Decision No. KM 4 of 2020 dated January 15, 2020, regarding Sea Freight Transportation Rates for the Implementation of the Public Service Obligation in 2020. This Decision sets forth the rates for sea freight transportation, which is not inclusive of additional insurance costs for the goods transported. This Decision applies retroactively from January 1, 2020. It revokes MOT Regulation No. KM. 89 of 2019, as amended by MOT Regulation No. KM 224 of 2019.</p> <p>MOT Regulation No. PM 10 of 2020 dated February 24, 2020, regarding Guidelines for the Organization of Public Service Obligations for the Transportation of Goods on Roads from and to Underdeveloped, Remote, Outer and Border Areas. This Regulation provides that the transportation of goods on roads from and to underdeveloped, remote, outer and border areas shall be carried out by Pioneering Freight Transportation (<i>Angkutan Barang Perintis</i>) companies. This Regulation came into force on the date of its enactment.</p> <p>MOT Decision No. KM 30 of 2020 dated February 5, 2020, regarding the Amendment of MOT Decision No. KP 432 of 2017 regarding the National Port Master Plan. This Decision amends MOT Decision No. KP 432 of 2017 by (i) adding 1 Public Terminal in East Nusa Tenggara province and (ii) changing the total recapitulation of Public Terminals for the years 2017, 2022, 2027 and 2037 to 56 terminals respectively. This Decision came into force on the date of its enactment.</p> <p>MOT Regulation No. PM 18 of 2020 dated April 9, 2020, regarding Transportation Control in the Context of the Prevention of the Spread of Corona Virus Disease (COVID-19). In response to the COVID-19 pandemic, the government issued this Regulation to regulate sanitary and social distancing requirements during the pandemic. This Regulation also addresses transportation controls in areas implementing social distancing restrictions. It came into force on the date of its enactment.</p>
