

**UPDATE ON DOMESTIC AND INTERNATIONAL TRAVEL POLICIES IN INDONESIA
AS OF SEPTEMBER 1, 2022
BY SSEK LEGAL CONSULTANTS**

With conditions and the coordinated response to the Covid-19 pandemic in Indonesia improving, the Government has updated its policies for domestic and international travelers.

Health Protocols:

1. Use a three-ply cloth mask or a medical mask that covers the nose, mouth and chin;
2. Change masks regularly every four hours and dispose of old masks in the provided place;
3. Wash hands regularly using water and soap or hand sanitizer, especially after touching objects touched by other people;
4. Maintain a minimum distance of 1.5 meters from other people and avoid crowds; and
5. Not allowed to speak on the telephone or face to face while on public transportation (land, rail, sea, river, lake, and air).

Type	Entry Points / Means of transportation	Travel Purposes	Travel Requirements				Exemptions	Regulation
			Proof of Vaccination	Covid Testing	Quarantine	Contact Tracing
