---

Samuel Yefta Abednego earned his Bachelor of Laws in 2014 from the University of Indonesia, majoring in economic law. Prior to joining SSEK in 2014, Samuel worked at a boutique litigation firm where he was involved in several dispute resolution matters.

Since joining SSEK, Samuel has been involved in various projects, mostly concerning foreign investment, M&A, oil and gas, and dispute resolution.

While at university, Samuel was a member of several student organizations. In addition, Samuel was a junior researcher at the Center for International Law Studies, a legal research institution in the faculty of law, where he participated in several research projects concerning investment matters.

Samuel is fluent in Indonesian and English.
